

Pathway 1 Key Stage 4 Curriculum Overview

Welcome to Pathway One, Key Stage 4 Curriculum. During the year 2023 – 2024 we are working on year 2 of the curriculum. If a curriculum area only has one year option, e.g. PSHE that is because the curriculum is spiral, meaning they will study the same thing every year in greater depth. Please refer to overarching curriculum documents for whole school intent. Any queries please contact the school.
